

# 23 years ago David supplied our new Kitchen

## Now we have been back for a refurbishment

“The Kitchen that David and his Team fitted 23 years ago is still sound and in good condition” says Mike and Margaret Read of Greenmeadow,

“we just wanted a new modern look. So David suggested replacing the doors.”

The existing kitchen, being 23 years old, had non standard size doors, Nuimage can supply made to measure replacement door and drawer fronts.

“It has made the room look brighter and refreshed” says Margaret, “David’ s son Oliver did the fitting, he was only a little boy when the original Kitchen was fitted.

I would recommend Nuimage to anyone, they are a friendly Family business who care about their customers”.

Nuimage don't employ commission only Salespeople, like a lot of their competitors. There is no pressure, just help and advise.

**For a Free no obligation quotation call David on 01793 644600.**
